

## CARIBBEAN DESTINATION WEDDINGS

### FACT SHEET

<b>Will the marriage be legally recognised?</b>	Yes, we will advise on the legal requirements of the country where you wish to marry. The paperwork will be prepared and ready for you to complete when you arrive.
<b>Which are the best Islands to marry in?</b>	Each Caribbean island differs from the next - we would be able to suggest the islands, venues and accommodations that are right for you, once we have an understanding of your requirements.
<b>Are destination weddings cheaper than traditional weddings?</b>	The cost of a wedding - destination or traditional depends on many things, number of guests, venue, time of year – We will ask about your budget and present a number of options to you. Using our Honeymoon Registry may help with the cost.
<b>What type of wedding venues or locations are available?</b>	Once we have an idea of your ideal wedding – barefoot beach, hilltop Great House, hotel, underwater! We will propose at least two options that meet your requirements, timescales and budget.
<b>What is the maximum number of guests we can have?</b>	Caribbean wedding locations/venues offer a great deal of choice – We have direct contact arrangements with the owners of properties we represent and the Island representatives, we're sure to offer perfect accommodations, venues, and services to suit you both and your guests too.
<b>Can the location be used for the ceremony and reception?</b>	This is possible
<b>Will there be other events on the same day?</b>	When you rent a villa through Oasis Places, you rent the property exclusively. This means there will not be any other couples sharing your wedding space.  We will also confirm with our wedding planners whether they have other commitments on your wedding day to ensure your day receives the attention it deserves.
<b>What are the catering arrangements?</b>	We will formally agree the content of your day from the outset, including catering arrangements, menus and dining style.
<b>What are the arrangements for music?</b>	You may wish to choose your own music or be open to suggestions – if you opt for a full band – we'll arrange it!
