Family Fun & Adventure (Jamaica)

Description/ Highlights The perfect trip where families can spend time together and enjoying a great tropical destination and activities. Although childcare sessions are built into this trip to enable adult nightlife, this trip is designed to meet the needs of all members of the family. Botanical gardens, beach fun, nature trails, river tubing, - this trip also provides flexible child-friendly sessions dependant on the age of the children traveling. . This tour is fully supported by leader and local guides. Accommodations are selected to provide the ultimate in comfort, peace and service – private villas with private pools are staffed and well located. Food options are varied, flexible and arranged to provide a selection of local and international cuisine. This trip is suited to families wanting to explore together and enjoy beautiful locations. [This trip is also run for Single Parent Families](#)
